NHTSA and Greene County Safe Communities Remind Drivers: *Buckle Up. Every Trip. Every Time.*

XENIA, OH — The U.S. Department of Transportation’s National Highway Traffic Safety Administration is working with Greene County Public Health’s Safe Communities Coalition to make sure everyone stays safe on the roads throughout the long Thanksgiving weekend. Whether driving cross country or just across town to celebrate the holiday, everyone in a vehicle should *Buckle Up. Every Trip. Every Time*. In addition to being required by law, buckling up is the best defense against injury or death in a crash.

During the Thanksgiving holiday weekend in 2022 (6 p.m. on Wednesday, November 23, to 5:59 a.m. on Monday, November 28), there were 326 passenger vehicle occupants killed in traffic crashes across the nation, and 43% (141) were unrestrained. Not wearing a seat belt proved to be deadly at any time of the day during the holiday weekend: 47% of those killed in nighttime crashes were unbuckled, and 38% of those killed in daytime crashes also were unbuckled. These deaths represent needless tragedies for families across America and may have been prevented with the simple click of a seat belt.

“The Thanksgiving holiday is the start of a special time of year for so many people,” said Loressa Gonyer, Health Educator and Safe Communities Coordinator. “No matter how long or short your drive, it’s critical that drivers and passengers *Buckle Up. Every Trip. Every Time*. We want everyone to have a safe and happy Thanksgiving. Please, make sure everyone in your vehicle is buckled before you ever turn on the car — and that includes children being in the correct car seats, too,” she said.

For more information about traveling safely this Thanksgiving, please visit www.nhtsa.gov/risky-driving/seat-belts. For more information about Greene County Safe Communities, please call Loressa Gonyer at 937-374-5655 or email lgonyer@gcph.info.
